This data register is based on Article 30 of the GDPR (Records of processing activities) and consists of the following parts:

- A** Contact details of the institution of higher education
- B** Description of the categories of data subjects, such as students, staff or hotel guests.
- C** Specific, explicit and legitimate purposes: why do we process your data?
- D** Description of the categories of personal data: which data of yours do we process?
- E** Sources: how do we collect your personal data?
- F** External controllers: parties to which we have to transfer your personal data.
- G** Information on the external processors who process your data on our behalf.
- H** Overview of the possible transfer of your data to countries outside the EER
- I** Overview of retention periods
- J** General description of the technical and organizational security measures.

Explanation of the categories of personal data (D)

- 1a** Compact contact details: exhaustive enumeration
- 1b** Complete contact details: exhaustive enumeration
- 4** 'Medical data', freely given by the guest, on his own demand, to facilitate his stay in the hotel.
- 7** Imagery: pictures of the guest, mostly derived from social media, as part of a customer-friendly approach

Legenda		C Legal bases	
MEWS	Processing of guests records (reservations)	LO	Legal Obligation (taxes, ABP)
BeCurious	Hotel website	C	Performance of a Contract (reservations)
PXIER	Banquet sales system	LI	Legitimate Interest (internal use of applications)
Revinat	Reputation management system	Cs	Consent of the Data Subject
Pocket Menu	Document System		Consent is always freely given, informed and explicit
			For instance for use of a photo on the website
		V	Vital Interest belang (For instance if someone's life is in danger)
		Pi	Public Interest (not applicable for hotels)

AIC	Explanation of AIC classification
A	Availability. M (middle) indicates that the information is not available for a maximum of 2 days in the event of a malfunction.
I	Integrity. L (low) stands for "complete" personal data, M stands for "complete and correct" personal data and H (high) stands for "complete, correct and up-to-date" personal data. All personal data are classified as H.
C	Confidentiality. L means that everyone within the organization can see this information, M means that only designated officers in their role (eg salary administration employees) can see personal data, H means that only specified individual employees (eg the manager or consultant) can see personal data.

Rights of the data subject under the GDPR?

1	Right of information (Article 13 and 14)	5	Right to restriction of processing (Article 18)
2	Right of access (Article 15)	6	Right to data portability (Article 20)
3	Right to rectification (Article 16)	7	Right to object (Article 21)
4	Right to erasure ('right to be forgotten', Article 17)	8	Right not to be submitted to automated individual decision-making, including profiling (Article 22)

Privacystatement Stenden Hotel

Datum: 24 juli 2018

We (NHL Stenden University of Applied Sciences) respect your privacy and only process your personal in accordance with the General Data Protection Regulation. This privacy statement specifies what exactly we are doing with your personal data.

A The protection of your personal data and the compliance with the GDPR is monitored by our Data Protection Officer (DPO), Willem Bakker. Email: FG@nhlstenden.com. Phone +31 6 1531 9503. Our DPO is registered at the Dutch Data Protection Authority, the Autoriteit Persoonsgegevens.

Use of your personal data

F At Stenden Hotel, we are committed to maintaining the trust and confidence of our guests. Most importantly, we like to express that Stenden Hotel is not in the business of selling data. We have strict rules and reasons on why we collect the personal data that we do, how we use this data, the limited conditions under which we may disclose it to others, and how we keep it secure. Your data are only shared with are accountant for legal control.

C The processing of your personal data is lawful and based on the fulfillment of the performance of the commercial relation we have with you, on legal obligations or on our legitimate interest. We will process no more data of yours than mentioned in the objectives under C in de data register.

E We process several categories of personal data that we may have received directly from you or via online services or booking offices. Our sources are specifies under E..

I We will retain your personal data no longer than permitted by law.

Transfer to third parties

G For the processing of your personal data we can use external processors who act on our behalf and according to our instructions. We close a data protection agreement with all our processors. An overview of all agreement is available on demand.

Security

J We implement appropriate technical and organisational measures to ensure that the personal data for which NHL Stenden University of Applied Sciences is responsible are not processed unlawfully. As a rule we do not send personal data via unsecured connections and we constantly monitor our IT services on security incidents. NHL Stenden had a Computer Security Incident Response Team (CSIRT) that handles all security incidents (e-mail: csirt@nhlstenden.com).
